A Home Improvement Podcast

Sponsorship packages start at \$5 for a month's worth of episodes

## ABOUT THE SHOW & OUR AUDIENCE

The Home Impodcast recaps each episode of Tim Allen's '90s TV show Home Improvement. Our show also includes special episodes about movies like The Santa Clause and interviews with cast stars like Richard Karn.

Home Impodcast is the #1 Home Improvement podcast and continues to grow each month. We started our show in May of 2016 and have been releasing weekly episodes ever since.

Our audience is active, engaged, and tech-savvy.
